Michael Hinds Civil Action No. 2:20-CV-12032  
V Plaintiff Hon. George Caram Steeh  
Daniel Hornphanich and  
Christopher Buch  
Defendants

Motion to reconsider and request  
an evidentiary hearing.

Now comes, Plaintiff Michael Hinds, prose and request that the Court reconsider the claim against Daniel Hornphanich and request an evidentiary hearing. I believe I am entitled to hearing to determine whether my conduct was completely authorized by state law and that I complied with all relevant conditions imposed by state law on the use, distribution, and possession of medical marijuana, and what rights and privilege are not to be denied and is protected in accordance to the (mmla)

On November 23, 2017 Plaintiff was parked on Ellsworth Street in Detroit MI. Detroit police officers Daniel Hornphanich Detained me for "improper transport" of my medical marijuana. I offered to show my Michigan medical marijuana card, but the officer declined to look at it. I was then order out the vehicle. I was arrested for a gun and drugs which was found during their search.

## Argument

I have a legal right to seek protection under the (mmsa) See Johnson 202 Mich App 460, my rights are protected under the mmsa by my full compliance United States v McIntosh No. 15-10117, DC No. 3:14-CR-0016 mme-3 "A qualifying patient who has been issued and possesses a registered card is not subject to arrest, prosecution, or penalty in any manner or denial any rights or privilege for the use, distribution and possession of medical marijuana." See MCL 333.201 24(a)

My full compliance means there was no arrestable offense for the possession of medical marijuana there for no probable cause, the officers knew and understood this that's why he did not want to take possession of my medical marijuana card. I have right to be treated equal. I am asking the court to reconsider my claims against Daniel Hampharich
